WHY COSMOPROF INDIA

- Cosmoprof India has a key role showing the latest trends and innovations of the **beauty industry**, the **fastest growing market** in India.
- The show hosts **selected and qualified buyers to facilitate the connection** between cosmetic industry's supply and demand.
- Indian Beauty Market is a **high potential area for international brands**, due to the awareness and preference for innovative products, modern distribution channels and an accelerated shift to e-commerce.
- The event represents the fourth destination of the **Cosmoprof network**, a worldwide platform for the beauty community, with shows in Bologna, Las Vegas, Bangkok, and Singapore as a special edition.

THE BEAUTY MARKET IN INDIA

- Revenue in the **Beauty & Personal Care market** amounts to USD 26,074 M in 2022. The market is expected to grow annually by 4.63% (CAGR 2022-2026).
- The market's largest segment is Personal Care with a market volume of USD 12,322 M in 2022.
- In the Beauty & Personal Care market, 10.7% of total revenue will be generated through **online sales** by 2022.
- The **colour cosmetics** market along with the **personal care packaging** is one of the flourishing markets in India.
- Indian consumers are focusing on sustainability to drive **eco-friendly packaging**.
- Technical advances in drug discovery and anti-infection properties is expected to propel the India **essential oils market** to 50,000 tons by the end of 2030.
