COSMOPROF INDIA AWARDS 2025 HONOURS EXCELLENCE AND INNOVATION IN THE INDIAN BEAUTY INDUSTRY

COSMOPROF
INDIA MUMBAI

Mumbai, 4 December 2025 – **Cosmoprof India**, the leading B2B event dedicated to the fast-growing Indian market, celebrates the excellence and innovation of stakeholders in the beauty business. The **Cosmoprof and Cosmopack India Awards**, the core project of the Cosmoprof network, organised in partnership with the global trend agency BEAUTYSTREAMS, will reward the most outstanding products among exhibiting companies, highlighting innovation, new technologies, excellence and the latest trends across six categories, ranging from supply chain solutions to branded finished products.

A total of 242 products were submitted, with four finalists selected in each category. The 60% of the products came from Indian companies and 40% from abroad, leading to a 17% increase in submissions compared to 2024. A total of 104 companies participated this year, marking a 24% growth, with 55% based in India and 45% representing 11 countries worldwide, confirming the strong and growing international footprint of the project.

The Cosmoprof India and Cosmopack India Awards recognize exceptional products in the following product categories:

- Hair & Nail Products
- Personal Care, Body Care Products, Fragrance
- Skin Care Products
- Innovative Technology
- Make-up, Skin Care, Hair Formula
- Packaging: Design and Materials

An esteemed international panel of experts and thought leaders from the cosmetics industry is evaluating the 2025 submissions. Their undeniable experience, industry know-how, and capability to analyse new consumer trends and innovation in the region are a guarantee of value and prestige.

Jury members for Cosmoprof India and Cosmopack India Awards 2025 are:

- Florence Bernardin, Founder & Editor, Asia Cosme Lab (France)
